Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more line items is significantly over or understated. (a) During the period between publication of the solicitation and final award, you must not communicate, directly or indirectly, with the County or its employees, agents or officials regarding any aspect of this procurement activity, unless otherwise approved in writing by the Procurement Officer. All communications must be solely with the Procurement Officer. See clause entitled "Duty to Inquire." **We will not identify you in our answer to your question**. (b) The County seeks to permit maximum practicable competition. DISCLOSURE OF YOUR BID / PROPOSAL & SUBMITTING CONFIDENTIAL DATA (FEB 2021) According to Section 11-35-410, any person submitting a document in response or with regard to any solicitation or other request must "comply with instructions provided in the solicitation for marking information

exempt from public disclosure. Information not marked as required by the applicable instructions may be disclosed to the public." IF YOU IDENTIFY YOUR ENTIRE RESPONSE AS EXEMPT FROM PUBLIC DISCLOSURE, OR IF YOU DO NOT SUBMIT A REDACTED COPY AS REQUIRED, THE COUNTY MAY, IN ITS SOLE DISCRETION, DETERMINE YOUR BID OR PROPOSAL NONRESPONSIVE AND INELIGIBLE FOR AWARD. (b) By submitting a response to this solicitation or request, Offeror agrees to the public disclosure of every page, or portion thereof, of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page, or portion thereof, was redacted and conspicuously marked "Trade Secret" or "Confidential" or "Protected," (2) agrees that any information not redacted and marked, as required by these (a) bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. (c) If your offer includes any information that you claim is exempt from public disclosure, you must submit one complete copy of your offer from which you have removed or concealed such information (the redacted copy). Except for the information removed or concealed, the redacted copy must be identical to your original offer. (d) Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected. If only portions of a page are subject to some protection, do not redact the entire page. The redacted copy must reflect the same pagination as the original and show the empty space from which information was redacted. The Procurement Officer must be able to view, search, copy and print the redacted copy without a password. If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the County may, in its sole discretion, determine it nonresponsive. (e) On the redacted copy, you must identify the basis of your claim by marking each redaction as follows: You must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that you redacted and claim as exempt from public disclosure because it is either (1) a trade secret as defined in Section 30-4-40(a)(1) of the Freedom of Information Act, or (2) privileged and confidential, as that phrase is used in Section 11-35-410. You must separately mark with the words "TRADE SECRET" every page, or portion thereof, that you redacted and claim as exempt from public disclosure as a trade secret pursuant to Section 39-8-20 of the Trade Secrets Act. You must separately mark with the word "PROTECTED" every page, or portion thereof, that you redacted and claim as exempt from public disclosure pursuant to Section 11-35- 1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. (f) In determining whether to release documents, the County will detrimentally rely on your redaction and marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "Protected." By submitting a response, you agree to defend, indemnify and hold harmless the Fairfield County Council, officers, and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the Fairfield County Council or any of its

agencies, that you have redacted or marked as “Confidential” or “Trade Secret” or “Protected.”

Attn: Timika Beaver, Procurement Director

250 N Walnut Street

P.O. Drawer 60, Winnsboro, SC 29180

Offeror is solely responsible for ensuring that its courier service provider makes inside deliveries to our physical location. The County is not responsible for any delays caused by the Offeror’s chosen means of proposal delivery.

LOCAL VENDOR PREFERENCE: For the purpose of determining the low vendor, the Director of Procurement shall grant local vendors (those vendors maintaining a place of business in Fairfield County) a 4% preference on the amount of their quotation or bid up to a maximum total of $50,000. The preference would not apply to purchases

totaling less than $50. Preferences do not apply to either prime or subcontractors as relates to construction contracts nor any item that may be purchased on state contracts. Exception: road paving contracts, a 4% preference on the amount of their quotation or bid up to a maximum total of $800,000. Provided, however, that in the event the procurement is to be made pursuant to state or federal guidelines which prohibit or restrict local preference, then in the circumstances there shall be no local preference. The local preference as set forth in this section does not waive or otherwise revoke the County's unqualified right to reject any and all bids or proposals or accept such Offers, as appears in the County's best interest.

THIS SECTION HAS BEEN LEFT BLANK INTENTIONALLY

SECTION III. SCOPE OF WORK

Fairfield County seeks to establish contracts with one or more qualified vendors to provide stone at a firm fixed price per ton. Vendors must be capable of maintaining an adequate and ongoing inventory of stone to meet the County's needs on an as-needed basis throughout the contract period.

Vendors located within thirty (30) miles of Fairfield County, South Carolina shall provide a firm fixed unit price per ton for each year of the contract term. The Fairfield County Public Works Director, or designated representative, will place orders directly with the selected vendor. Materials will be picked up by a designated County employee.

Vendors located outside of thirty (30) miles of Fairfield County, South Carolina shall provide a firm fixed unit price per ton for the stone, along with a fixed delivery fee for transporting materials to designated locations throughout Fairfield County.

This will be a multi-term contract consisting of one (1) initial term and two (2) optional one-year renewal terms. During the initial term and any exercised renewal terms, the vendor's prices and fees shall remain fixed. Upon approval by the Procurement Director, prices may be adjusted for any renewal term; however, prices shall not be increased during the initial contract term.

Any request for a price increase must be submitted to the Procurement Officer at least ninety (90) days prior to the expiration of the applicable contract term and must include sufficient supporting documentation to justify the requested increase. If approved, the price adjustment shall become effective at the beginning of the subsequent contract term following approval and must be executed through a formal change order.

If a requested price increase is denied, the contractor may elect to terminate the contract at the end of the current term. Written notice of termination must be received by the Procurement Director no later than fifteen (15) days after the Procurement Director provides written notice rejecting the requested price increase.

Offerors must maintain sufficient inventory to meet the County's indefinite quantity requirements on an as-needed basis throughout the year.

To ensure timely fulfillment of the County's needs, interested offerors must maintain, at a minimum, stock levels of the following materials:

At a minimum, the vendor's quote must reference the contract number IFB20260304, include the item description, unit price, extended price, and any applicable taxes. If materials or stone are to be delivered directly to a County location, all quotes must include the associated freight or shipping charges.

Following receipt and approval of the quote, a County-issued purchase order will be generated. The vendor must reference the corresponding purchase order number on all related invoices. Invoices shall be submitted electronically to the Finance Department at fairfieldaccountspayable@avidbill.com .

Payment will be issued in accordance with the County's Net 30 payment terms, calculated from the date the invoice is received and approved.

The total quantity of purchases of any individual item on the contract is not known. Fairfield County does not guarantee that the County will buy any specified item or total amount. BLANKET PURCHASE AGREEMENTS (NOV 2007):

(a) Pursuant to S.C. Regulation 19-445.2100(B), this purchase order establishes a blanket purchase agreement to facilitate filling repetitive needs for small quantities of miscellaneous supplies or services. Contractor shall furnish the supplies or services described herein in general terms, if and when requested by authorized personnel during the specified period and within the stipulated aggregate amount, if any. The County is obligated only to the extent of authorized calls actually placed against this blanket purchase agreement. Only those individuals expressly identified herein, by organizational component, and within any dollar limitations identified herein, may place calls under the agreement. Calls against this blanket purchase agreement generally will be made orally, except that informal correspondence may be used when ordering against agreements outside the local trade area. Written calls may be executed. Acceptance of supplies, services, or information technology shall be indicated by signature and date on the appropriate form by authorized personnel after verification and notation of any exceptions. This agreement shall be issued for a period of no longer than 12 months.

(b) All shipments under the agreement, except subscriptions and other charges for newspapers, magazines, or other periodicals, shall be accompanied by delivery tickets or sales slips which shall contain the following minimum information: (1) name of supplier; (2) blanket purchase agreement number; (3) date of call; (4) call number; (5) itemized list of supplies or services furnished; (6) quantity, unit price, and extension of each item less applicable discounts (unit price and extensions need not be shown when incompatible with the use of automated systems, provided that the invoice is itemized to show this information); and (7) date of delivery or shipment.

The State shall choose one of the following statements:

___ A summary invoice shall be submitted at least monthly or upon expiration of the blanket purchase agreement, whichever occurs first, for all deliveries made during a billing period, identifying the delivery tickets covered therein, stating their total dollar value, and supported by receipted copies of the delivery tickets.

___ An itemized invoice shall be submitted at least monthly or upon expiration of the blanket purchase agreement,

whichever occurs first, for all deliveries made during a billing period and for which payment has not been received. Such invoices need not be supported by copies of delivery tickets.

___ When billing procedures provide for an individual invoice for each delivery, these invoices shall be accumulated provided that a consolidated payment will be made for each specified period; and the period of any discounts will commence on final date of billing period or on the date of receipt of invoices for all deliveries accepted during the billing period, whichever is later. This procedure should not be used if the accumulation of the individual invoices materially increases the administrative costs of this purchase method.

CHANGES (JAN 2006):

(1) Contract Modification. By a written order, at any time, and without notice to any surety, the Procurement Officer may, subject to all appropriate adjustments, make changes within the general scope of this contract in any one or more of the following:

(c) place of delivery;

(d) description of services to be performed;

(e) time of performance (i.e., hours of the day, days of the week, etc.); or,

(f) place of performance of the services. Subparagraphs (a) to (c) apply only if supplies are furnished under this contract. Subparagraphs (d) to (f) apply only if services are performed under this contract. (2) Adjustments of Price or Time for Performance. If any such change increases or decreases the contractor's cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, an adjustment shall be made in the contract price, the delivery schedule, or both, and the contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the contractor from proceeding with the contract as changed, provided that the County promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion. (3) Time Period for Claim. Within 30 days after receipt of a written contract modification under Paragraph (1) of this clause, unless such period is extended by the Procurement Officer in writing, the contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the contractor's claim unless the County is prejudiced by the delay in notification. (4) Claim Barred After Final Payment. No claim by the contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this contract. [07-7B025-1]

If a general aggregate limit applies, the general aggregate limit shall be twice the required occurrence limit. This contract shall be considered to be an "insured contract" as defined in the policy.(2) Auto Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limits no less than $1,000,000 per accident for bodily injury and property damage.(3) Worker's Compensation: As required by the State of South Carolina, with Statutory Limits, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.
