Given the continued uncertainty and disruption created by COVID-19, Fairfield County Council believes actions must be taken to minimize risks to our citizens by doing our part to slow the spread of this outbreak across our community. Out of an abundance of caution, Fairfield County Council or Council Committee meetings are open to a certain number of citizens abiding by the social distancing rules. Fairfield County Council will follow advice from federal and state leaders and implement guidance issued by the Centers for Disease Control and Prevention as well as the South Carolina Department of Health and Environmental Control. We also strongly recommend that masks be worn while in the Administration Building.

In the meantime, in order to provide information to our citizens and in the interest of transparency, Fairfield County Council will live stream its meetings via the County YouTube page.
