V. ADJOURN

Fairfield County is now open to a certain number of citizens abiding by social distancing rules in order to mitigate the spread of COVID-19 in our community. We will follow advice from federal and state leaders and implement guidance issued by the CDC and DHEC. We also strongly recommend that masks be worn while in the Administration Building. Fairfield County will continue to live stream its meetings via the County YouTube page in order to provide information to our citizens and in the interest of transparency.
