**Section 3:** To further meet the appropriations provided by this ordinance, the Fairfield County Auditor is authorized and directed to levy upon taxable property in Fairfield County, South Carolina, and the Fairfield County Treasurer is directed to collect a tax necessary to meet all budget requirements, except as provided for by other revenue sources, for the operation of the County government for the fiscal year beginning July 1, 2007 and ending June 30, 2008. In determining the appropriate tax levy for each item, the Fairfield County Auditor shall assume a 98% collection rate. Once the Auditor has determined the levy required to meet appropriations, this information shall be submitted to County Council, which shall review and approve the levies prior to the preparation of tax notices. County Council shall establish millage levies over which they have jurisdiction by the adoption of an appropriate resolution and shall then transmit the approved resolution to the Auditor.

**Section 4:** All purchases made by County departments shall be made in accordance with the ordinance establishing a centralized purchasing system for the procurement of goods and services required by Fairfield County in conformance with purchasing policies established and approved by the County governing body. The appropriations provided in the ordinance shall not in any case be exceeded, and any contracts which may be made or which may in any manner result in the expenditure of funds in excess of the appropriations provided in this ordinance shall not be binding upon Fairfield County. Each department head is charged with the duty of ascertaining in advance whether or not the appropriations are sufficient to pay for the furnishing of such supplies, commodities or services.

**Section 5:** No money appropriated for any specific purpose under the provisions of this ordinance shall be used for any other purpose than specified; provided however, that the Fairfield County Administrator may reallocate budgeted but unexpended funds within any county office, department, board, commission or institution receiving County funds; provided, further that the Fairfield County Council or a majority thereof may in its discretion by proper resolution transfer or reallocate budgeted but unexpended funds from one County office, department, board, commission, or institution to another. Any amount appropriated in this ordinance may be discontinued at any time by appropriate action of a majority of the County governing body.

**Section 6: (A)** The County is hereby empowered to borrow in anticipation of tax or other revenues for County purposes any sum not exceeding the amount anticipated to be received from taxes and other revenues during the current or succeeding fiscal year, and not only to pledge the taxes or other revenues anticipated in the current or succeeding fiscal year, but to pledge also, the full faith and credit of Fairfield County for the repayment of any sums so borrowed. The Fairfield County Treasurer is hereby authorized and directed to make such loans and investments as authorized by County Treasurers under section 12-45-220, code ann., 1976, as amended, from funds not necessary for current expenses. Such loans shall be evidenced by one or more general obligation tax anticipation notes executed by the Chairman of the Fairfield County Council and attested by the Fairfield County Administrator, and all such notes shall bear interest from date until paid at an interest rate equal to the average monthly interest rate paid on investments during the term of such notes on funds invested in the South Carolina State Treasurer's Investment Pool. The Fairfield County Auditor shall levy and the Fairfield County Treasurer shall collect in the same manner as county taxes are levied and collected, a tax on all taxable property in Fairfield County sufficient to pay the principal and interest on such notes and to create such sinking funds as may be necessary to assure the repayment thereof. The Fairfield County Auditor and the Fairfield County Treasurer shall be notified of each issue of notes, and such notice shall constitute a direction to the Fairfield County Auditor to levy and the Fairfield County Treasurer to collect, respectively, upon all taxable property in Fairfield County a tax sufficient to meet the payment of the principal and interest on said notes and to create such sinking funds as may be necessary therefore.

**Section 7:** An independent annual audit of all financial records and transactions of the County shall be made by a Certified Public Accountant or firm of public accountants who have no personal interest, direct or indirect in the fiscal affairs of the County government of Fairfield County or any of its officers. The County Council may, without requiring competitive bids, designate such accountant or firm annually or for a period not exceeding five years, provided that such designation shall be made not later than thirty days after the beginning of such fiscal year. Unless included in the annual County audit, an annual audit of each agency, board, bureau, or commission of Fairfield County, funded in whole or in part by County funds shall be made. Furthermore, any agency or organization not directly affiliated with Fairfield County Government, but receiving any funding from Fairfield County, shall have an annual audit performed by a qualified accountant holding a license from the State of South Carolina. All advance travel funds approved by the County Administrator shall be accounted for to the County Administrator within thirty (30) days of the conclusion date of the trip, with all necessary and appropriate documentation and receipts attached. The County Administrator is authorized and directed to develop and implement travel reimbursement procedures for all non-elected employees of Fairfield County.
