Section 2: The Fairfield County Auditor is authorized and directed to levy upon taxable property in Fairfield County, South Carolina, and the Fairfield County Treasurer is directed to collect a tax necessary to meet all budget requirements, except as provided for by other revenue sources, for the operation of the County government for the fiscal year beginning July 1, 2023 and ending June 30, 2024. County Council shall establish millage levies over which they have jurisdiction by the adoption of an appropriate ordinance and shall then transmit the approved ordinance to the Auditor.

Section 3: No money appropriated for any specific purpose under the provisions of this ordinance shall be used for any other purpose than specified; provided however, that the Fairfield County Administrator may reallocate budgeted but unexpended funds within any county office, department, board, commission or institution receiving County funds; provided, further that the Fairfield County Council or a majority thereof may in its discretion by proper resolution transfer or reallocate budgeted but unexpended funds from one County office, department, board, commission, or institution to another. Any amount appropriated in this ordinance may be discontinued at any time by appropriate action of a majority of the County governing body.

Section 4: (A) The County is hereby empowered to borrow in anticipation of tax or other revenues for County purposes any sum not exceeding the amount anticipated to be received from taxes and other revenues during the current or succeeding fiscal year, and not only to pledge the taxes or other revenues anticipated in the current or succeeding fiscal year, but to pledge also, the full faith and credit of Fairfield County for the repayment of any sums so borrowed. Such sums shall be payable at such time, upon such items and in such sums as may be negotiated between the County and the lender.

(B) The Chairman of the Fairfield County Council and the Fairfield County Administrator are hereby authorized and empowered to borrow at any time and from time to time during the current fiscal year or the fiscal year commencing July 1, 2023, in anticipation of revenues during the current or succeeding fiscal year from the Fairfield County Vehicle/Equipment Replacement Fund, as established by Ordinance No. 409 and to pledge the revenues anticipated by Fairfield County in the current or succeeding fiscal year and also the full faith and credit of Fairfield County for the repayment of any sums so borrowed. The Fairfield County Treasurer is hereby authorized and directed to make such loans and investments as authorized by County Treasurers under section 12-45-220, code ann., 1976, as amended, from funds not necessary for current expenses. Such loans shall be evidenced by one or more general obligation tax anticipation notes executed by the Chairman of the Fairfield County Council and attested by the Fairfield County Administrator, and all such notes shall bear interest from date until paid at an interest rate equal to the average monthly interest rate paid on investments during the term of such notes on funds invested in the South Carolina State Treasurer's Investment Pool. The Fairfield County Auditor shall levy and the Fairfield County Treasurer shall collect in the same manner as county taxes are levied and collected, a tax on all taxable property in Fairfield County sufficient to pay the principal and interest on such notes and to create such sinking funds as may be necessary to assure the repayment thereof. The Fairfield County Auditor and the Fairfield County Treasurer shall be notified of each issue of notes, and such notice shall constitute a direction to the Fairfield County Auditor to levy and the Fairfield County Treasurer to collect, respectively, upon all taxable property in Fairfield County a tax sufficient to meet the payment of the principal and interest on said notes and to create such sinking funds as may be necessary therefore.

Section 5: An independent annual audit of all financial records and transactions of the County shall be made by a Certified Public Accountant or firm of public accountants who have no personal interest, direct or indirect in the fiscal affairs of the County government of Fairfield County or any of its officers. The County Council may, without requiring competitive bids, designate such accountant or firm annually, provided that such designation shall be made no later than thirty days after the beginning of such fiscal year. Unless included in the annual County audit, Council may require an annual audit of each agency or organization receiving any funding from Fairfield County. Copies of the annual County audit and such other audits as are required by this section shall be filed in the Office of the Comptroller for Fairfield County and provided to the Fairfield County Administrator

and every member of the County governing body. A copy of the annual audit of the County shall be available for public inspection on the Fairfield County website, www.fairfieldsc.com.

Section 9: The Administrator and Chairman shall be authorized to issue tax anticipation notes, if necessary, for cash flow purposes.

Section 10: The County Administrator shall be authorized to sign all contracts for which funds are budgeted.
