**Given the uncertainty and disruption created by COVID-19, the Fairfield County Forfeited Land Commission believes actions must be taken to minimize risks to our citizens by doing our part to slow the spread of this outbreak across our community. Out of an abundance of caution, the Fairfield County Forfeited Land Commission will follow the directives of Fairfield County Council and close its meeting(s) to public attendance during the COVID-19 pandemic. The Fairfield County Forfeited Land Commission, in keeping with Fairfield County Council, will follow advice from federal and state leaders and implement guidance issued by the Centers for Disease Control and Prevention as well as the South Carolina Department of Health and Environmental Control. We will continue to monitor this situation closely and advise if conditions change.**

**In the meantime, in order to provide information to our citizens and in the interest of transparency, the Fairfield County Forfeited Land Commission will post recordings of its meetings on the appropriate Fairfield County website and/or via the Fairfield County YouTube page.**
